Coaches & Track Friends:

We have made every attempt in compiling this program to be as accurate and complete as possible but...errors and omissions do happen.

If you know of an error or omission, or would like to add any stats, please let us know, so we can include them in next year's program.

The athlete's listed in this program have given their best effort. We owe it to them to try, as accurately as possible, to preserve their performances.

We're planning to add additional stats and information in future years. We hope that you will be with us to enjoy the accomplishments of our athletes.
